### Horton Parish Council Meeting Minutes

Tuesday 17<sup>th</sup> October 2017

#03	Matters arising from previous meetings of the Parish Council:	
B	<p><b>Matters arising from Extra meeting (2016/17 Audit recommendations):</b></p> <p><b>R14:</b> Details of Charitable Accounts – There has been some confusion over this. Post has been going to Betty’s house and then on to her daughter. A note from her daughter suggests that the Death Certificate and change of address has been sent to the Charity Commission, but this has not been actioned. The Clerks received a letter from the CC quoting “<i>despite repeated reminders you have failed to [reply]</i>” We called them and were advised that we had at least six months to contact them before any action was taken but in fact it appears the charity has been removed from the CC register. After some discussion it was proposed by Cllr Cole that these monies could be donated to charity thereby removing the audit requirement. Cllr Crame proposed Champney Hall so the money remained for the good of the village. This was seconded by Cllrs Coogan and Cole and unanimously agreed.</p>	BH & RFO
